FESTIVAL DE CANNES
SPECIAL SCREENING
2023 OFFICIAL SELECTION

PICTURES OF GHOSTS is a multidimensional journey through time, sound, architecture and filmmaking, set in the urban landscape of Recife, Brazilian coastal capital of Pernambuco: a historical and human territory, examined through the great movie theaters that served as spaces of conviviality during the 20th century. Having hosted dreams and progress, these places have also embodied a major transformation on social practices. Combining archive documentary, mystery, film clips and personal memories, PICTURES OF GHOSTS is a map of a city through the lens of cinema.
