"Exhilarating. A cleareyed, deeply personal and formally inspired rumination on life."
The New York Times

PICTURES OF GHOSTS is a multidimensional journey through time, sound, architecture and filmmaking, set in the urban landscape of Recife, Brazilian coastal capital of Pernambuco: a historical and human territory, examined through the great movie theaters that served as spaces of conviviality during the 20th century. A map of a city through the lens of cinema.
